## **SB 1750 - HB 1673**

March 20, 2003

**SUMMARY OF BILL:** Requires the presiding general sessions criminal judge of any county which appoints judicial commissioners to establish qualifications and training necessary for a person to be appointed judicial commissioner. Requires persons appointed judicial commissioners prior to enactment to meet the qualifications and training established by the judge to be eligible for reappointment.

### **ESTIMATED FISCAL IMPACT:**

#### **Increase Local Govt. Expenditures - Not Significant / Permissive**

Estimate assumes to the extent the judges choose to require additional training under the provisions of the bill local governments would experience an increase in expenditures for the costs of such training. This increase is estimated to be not significant as most counties with judicial commissioners already have some training program in place.
